## EXPERIENCE

### EVALUATION ASSISTANT FOR CLIMATE RESILIENCE PROGRAMS

Hennepin University Partnership  
*Jan 2026 - Present*

- Refine grant application processes to improve accessibility and application completion rates.
- Revise program design and reporting procedures to better meet community needs.

### LEADERSHIP AND CIVIC ENGAGEMENT ASSISTANT

University of Minnesota Extension  
*Sep 2025 - Present*

- Co-develop constructive conflict curriculum that leverages Journey Mapping and Community Capitals Framework to support rural communities facing uncertainty and transition.

### RUCKELSHAUS FELLOW

Meridian Institute  
*August 2023 - July 2025*

- Coordinated convenings for [the AGree Coalition](#), a bipartisan farmer-led alliance of producers, researchers, and food companies advancing farm profitability and environmental outcomes.
- Monitored bills that received AGree Coalition endorsement and bills relevant to the Coalition's key focus areas: agricultural data, crop insurance, and diversified farming systems.
- Managed key communications with USDA leadership, including the Deputy Secretary of Agriculture and the Federal Crop Insurance Board.
- Organized a full-day convening to advance finance and insurance solutions for risk-resilient agriculture. This meeting launched [a collaborative RFP](#) between EDF, FFAR and Cornell.
- Supported a two-year \$2.6 million grant proposal, which requested \$500,000 more than the previous grant and was approved in full by a team of family foundations.

## EDUCATION

### UNIVERSITY OF MINNESOTA

Minneapolis, MN

Sep 2025 - Present
